

TDR

**HIGH PERFORMANCE
TECHNOLOGY**

LITHIUM

IRON PHOSPHATE

TLFE-4L

LiFePO4 4X LONGER LIFE
THAN LEAD-ACID BATTERY

ADVANTAGES :

- High-rate continuous discharge current
- Great motorcycle replacement battery for lead acid battery
- More than 2000 life cycles
- Super-fast charging
- 60% lighter than comparable lead acid battery, suitable for racing bike, dirt bike
- Long storage time when the battery is idle
- No acid and heavy metals pollution
- Applicable for TDR Generator Set TI 3200 & TI 4000
